Curricular Practical Training (CPT) is defined to be alternative work/study, internship, cooperative education or any other type of required internship or practicum that is offered by sponsoring employers through cooperative agreements with the school. Curricular Practical Training "must be an integral part of an established curriculum and directly related to the student's major area of study." [8CFR 214.2(f) (10)(i)]. It is authorization to participate temporarily in an internship, required thesis/dissertation program or cooperative education.

A request for authorization for curricular practical training must be made to the Designated School Official (DSO). A student may begin curricular practical training only after receiving his or her Form I-20 with the DSO endorsement.

CPT Eligibility Requirements:

(both student and advisor should review carefully)

- Must be an active, degree-seeking student at FIT
- · Must continue to maintain a full course of study during the period of employment, per immigration regulations
- Must continue to make normal academic progress, per immigration regulations
- Undergraduates must complete a full academic year in F-1 status, 2.5 GPA earned at FIT, and 24 earned credits
- Graduates must complete a full academic year in F-1 status and 3.0 GPA earned at FIT. Exceptions to the one academic year requirement may be provided to students enrolled in graduate studies that require immediate participation in curricular practical training.
- Must complete the online CPT Workshop before any CPT opportunities will be considered; results must be handed in with CPT application
- Must have an official, signed offer of employment on company letterhead, that contains:
 - 1. position title
 - 2. duties
 - 3. exact beginning and end dates of employment
 - 4. hours worked per week (20 or less = part-time; 21+ = full-time)
 - 5. supervisor's name, title, phone number and complete address

PLEASE SHARE THE OFFER OF EMPLOYMENT INFORMATION WITH YOUR EMPLOYER. INCOMPLETE LETTERS WILL DELAY CPT AUTHORIZATION

Other Important Considerations:

- CPT is only authorized for one semester at a time.
- If you sign any job offer letter and your CPT is denied, you are responsible for notifying prospective employer.
- CPT is employer specific—you cannot work for an employer for which you are not authorized.
- You may not begin employment, including training, until you have obtained a new I-20 that has been updated with CPT authorization. Unauthorized employment is grounds for termination of your F-1student status.
- You may participate in CPT part time (no more than 20 hours per week) during the academic year and part or full time during the summer. There are very few exceptions to this rule; please consult with an ISSS advisor.
- F-1 students who complete 12 months of full-time CPT are not eligible for Optional Practical Training (OPT).
- Total employment (on- and off-campus combined) may not exceed 20 hours/week during fall and spring semesters.
- Plan ahead. It can take up to five business days for all CPT documents to be processed.
- CPT may affect your FIT scholarship. Please contact Financial Aid for more information.

Participation in CPT cannot delay the student's expected completion date as listed on their immigration document I-20.

STEPS INVOLVED:

- Must complete the online CPT Workshop.
- Meet with your assigned academic advisor/co-op coordinator to complete your CPT Recommendation. 2.
- Obtain a job offer letter as described on page 1; be sure the letter is complete in content and signed.
- Complete student information section of this form. 4.
- Register for credit in the appropriate internship, thesis/dissertation or co-op course. 5.
- Submit all required documentation to the ISSS office; schedule an appointment with CPT advisor if necessary. 6.
- If the CPT is approved by ISSS, you will receive an email to pick up your documents. 7.
- REMEMBER, YOU CANNOT BEGIN WORKING UNTIL YOU RECEIVE YOUR CPT AUTHORIZATION.
